Zain Asif

Mobile App Developer | Flutter Developer (Bloc & Provider) | Android & IOS

Lahore, Pakistan | asifzain981@gmail.com | +92 3206923801 | Portfolio | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Flutter Developer with 1.5 years of experience building cross-platform mobile apps using Flutter and Dart. Skilled in API integration, database management (Firebase, SQLite), and developing reusable components. Focused on performance, usability, and delivering business-driven solutions.

WORK EXPERIENCE

Associate Software Engineer (Flutter Developer)
Era Tech Pvt. ltd, Gujranwala, Punjab   **July 2024 – Present**

- Designed and implemented new features for a QSR mobile application using **Flutter** and **Dart**, improving functionality, user engagement, and overall app performance.
- Integrated RESTful APIs in collaboration with backend developers, reducing app data latency by 30% and improving cross-platform load times by 25%
- Transformed over 15 UI/UX design prototypes into fully functional Flutter applications, increasing user engagement by 20% and reducing bounce rate by 18%.

Flutter Developer
Firnas Tech Pvt. ltd, Abbottabad, KPK   **Jan 2024 – June 2024**

- Wrote and optimized clean, modular, and scalable code in **Dart**, reducing bugs by **30%** and improving app stability.
- Worked closely with UI/UX designers to implement responsive Flutter UIs, leading to a significantly smoother user experience and faster feature delivery across 3+ cross-platform apps
- Delivered high-quality code under tight deadlines in a **fast-paced agile environment**.

EDUCATION

Bachelor of Software Engineering   **CGPA: 3.4 / 4**
Comsats University Islamabad, Abbottabad, KPK   **Graduated: 2024**
